

Supermarket For Sale - Inner West Sydney

We have a small corner supermarket for sale in the Inner West of Sydney. The Supermarket is in a very good location and has a very good customer base from the local area. The business has been operating for 5 years.

The Supermarket has brand new Point of Sale register and also surveillance equipment that is included in the sale of the business.

Parking is available at the rear of the building and there is plenty of storage space available.

There are also boarding rooms available in the building that will allow you to heavily subsidise the lease of the building, this means you have a very low rent on the business.

Price: \$125000 + SAV
