

Pizzeria for Sale - Upper North Shore

Pizza Takeaway For Sale on the Upper North Shore With eat-in & takeaway available. It is located in a suburb that has a nice village atmosphere.

This could also open earlier to operate as an afternoon Cafe as the other cafe's around the shop close at 2 pm to 3 pm

This business would suit husband and wife and currently operates 5 days per week, it has a very good potential to build up from where it currently is as the current owner has other business interests to look after.

This is ready to go and you just walk in and take over.
